# Ildikó Szabó
## frontend and java developer

My name is Ildikó Szabó. I moved from Hungary to Netherlands in August. I'm looking for a job as a Frontend or Java developer. Recently, I have completed several courses and I feel ready to apply the knowledge I have gained in real projects. My goal is to work in a good team and develop great applications and websites.

**My portfolio**: https://elliotscrubs.github.io
