Ildikó Szabó
junior frontend developer

My name is Ildikó Szabó from Hungary. I'm looking for a job as a frontend developer. Recently, I have completed several courses and I feel ready to apply the knowledge I have gained in real projects. My goal is to work in a good team and develop responsive, user-friendly websites and applications.

My portfolio: **https://elliotscrubs.github.io**

Voluntary (frontend) : **https://github.com/molitio**
